Pastor's Letter

Jesus commands us – “Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.” Matthew 28:19-20

Disciples are called to make disciples.

Jesus sent us, his followers, into the world to make disciples. Yes, it may be challenging. Yet passing faith in Christ to others and the next generation is vitally important. It may be easy to fool ourselves and be comfortable with the way we live out our faith. Jesus told us to put His word into practice. We can't really pick the texts in scripture we appreciate and are comfortable with and say as followers of Christ we have it down and we are good. In our culture currently there is much division, anxiety, deception, turmoil (just turn on the news) and sin we are called to challenge. As salt and light as Jesus called us, let us be a community of unity, peace, truth, grace and mercy that lives up to God's high standard. Many are seeking an authentic faith that encourages others in love. Love that is seen in action as God is honored and those around us realize that God is the source and His followers are mere vessels of His great love. I encourage you to pray for those near you who need God's saving love in their lives. Ask God to show you how to share His love with them and others, and let His love flow.

Let's Go and Make Disciples!

Pastor Erv

Prayer room beside the elevator is available whenever the Church is open. Please stop in and let us lift one another up to the Lord.

The Messenger Staff welcomes contributions to the newsletter in forms of informational articles, creative writers, reporters, and distribution.

If you have a desire to serve in church communication, please let us know.

The Life and Times of Pastor Erv Urschitz Part 2

“G-O-O-D M-O-R-N-I-N-G-!” This is the enthusiastic greeting from Pastor Erv each Sunday morning at 10 o'clock as he begins leading us in our Worship Service.

As we get to know our pastor and the story of his life better, you may remember from our last issue that he was born the youngest of eight siblings on February 20, 1960, and was brought home to his family's 118-acre farm in Bellville, Ohio, where he grew up.

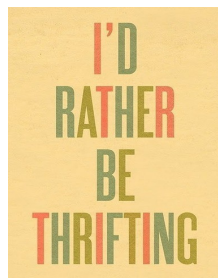

And now, to continue our story, we join young Pastor Erv as he is just entering into his teen years.

Pastor Erv reports that God had been speaking to him for several years. He began attending church at the age of 12 and accepted Christ at the age of 14.

The 1982 recession caused his employer to cut his hours, so he started attending The Ohio State University, Mansfield Branch, for the next three years. At that time he had to decide on a major, and so, he then transferred to Mount Vernon Nazarene College in 1985, from which he graduated in 1988 with a communications degree and a pre-seminary minor. (At this time he felt called to the ministry, which he declared began as a faith journey. (“God opened the doors, and I went through them.”) He entered Ashland Theological Seminary, from which he graduated in 1992 with a Master of Divinity and Pastoral Counseling designation. He was ordained as a deacon in 1993 and as an elder in 1997.

While in seminary he was involved in a singles ministry with a group of young adults, where he met now First Lady Wendy at a prayer meeting in the Mansfield area. Realizing that they had truly met their soulmates, they were married on August 25th, 1990, with Wendy, being fully aware that he would be entering the ministry and subsequently supporting him with her faithfulness and involvement in this dedicated life style. His first appointment happened in 1991 as an associate pastor at Wooster United Methodist Church, where they served for three years. Wendy's college degree was in Electrical Engineering Technology, qualifying her to serve as a Radar and Communications Technician under the auspices of the Federal Aviation Administration. (As Pastor Erv says, Wendy and son Caleb are the high-level math experts—Erv, not so much!) (To be concluded as part 3 in the April issue of the Messenger Newsletter.)

Getting to Know You.... Bonnie Fabritius

Sitting among the congregation on a Sunday morning on the north side of the sanctuary about 4 rows back, is a quiet, sweet, redhead named Bonnie Fabritius. Her quiet, sweet husband, Rich, is beside her. Sometimes you'll catch her at the podium, reading the morning Scripture. If you really want to be blessed, you can spend an hour on a Sunday morning, from 8:45-9:45, listening to her quick wit and profound wisdom while she leads the "411", the adult Bible study group, which meets in the Olds Room downstairs.

Bonnie is an amazing woman, a fact which took this writer several years and much careful observation to discover. She goes about her service to the Lord in such a quiet and unassuming manner, you would never guess her gifts and abilities. She personifies humility and grace, to which I am sure, her many friends would attest.

Mrs. Fabritius moved to Middlefield from Euclid, and in 1977 with her husband, Rich, joined the First United Methodist Church of Middlefield. Together they have 4 amazing, intelligent, and talented grown daughters: Lisa, Karen, Jenny, and Amy, and one fantastic granddaughter, 9-year-old Grace.

Bonnie's educational background is in biology and medicine, but she has also worked as a realtor, a substitute teacher, and a stay-at-home mom. Here at First United Methodist Church, Bonnie has served as a Vacation Bible School leader, children's Sunday School teacher,(Continued on page 6)

A huge thank you to those who contributed to the pay-to-participate offering for our Cardinal students to participate in this year's musical and spring sports. A total of \$994 dollars was collected from our congregation over the past several weeks. Due to the generosity of our congregation, Cardinal Alumni, businesses and other contributors, the costs for the musical, baseball and softball at the high school are now fully funded. Money continues to come in for high school and middle school track. When the costs to participate in these spring activities were announced parents and students were very discouraged. Many felt their activity would have to be cancelled because there would not be enough students to even have a team due to the increase in cost to the parents. What a blessing it has been to see the response from so many in our community. Our students and families are so grateful and hopeful for the future.

Would You Like to Help by Serving the Lord With Cookies???

Baked goods and volunteers are needed for a ministry our church is hosting, the **East Ohio Conference Western Reserve District/Lay Servant Ministries Training on Friday, March 10th and 11th. On Saturday**, there will be a light breakfast that needs **donations of muffins and volunteers** that can be at the church by **7:30 am**. Then, for lunch, a meal will be served and the need is for **donations of cookies** that will be served for dessert. For questions or to volunteer your time or baking skills, please call Nancy Cline at 632-9053.

What is Lay Servant Training?

Our church is hosting the Western Reserve District Lay Servant Training on **March 10th & 11th**. So what exactly is a Lay Servant, and why do they have to be trained?

Lay Servant Ministries (formerly known as Lay Speaking Ministries) of the United Methodist Church has its origins in early Methodism.(Continued on page 6)

We Serve Because of These CORE VALUES:

Lost people matter to God. He wants them found. Prayer is the primary work of God's people. Knowing and obeying God's Word is fundamental to all true success. Completing the Great Commission will require the mobilization of every fully devoted disciple. Without the Holy Spirit's empowerment, we can accomplish nothing. Achieving God's purposes means taking faith-filled risks.

"Fresh Encounter: Experiencing God's Power for Spiritual Awakening"

This is a 7 week study plus the introduction that was on the last Sunday of February in our **Sunday Morning 411 study**. We begin each week at **8:45 am** in the **Old's Room** downstairs. We will begin the first chapter of our study on **March 5th**.

Revival and renewal are perfect topics for springtime and Lent. Join us as we discover how God refreshes us as individuals, churches, and beyond. The authors of our study (and the famous and much loved "Experiencing God" study) make this personal, while looking at what God's done in the past.

Come as you are able, we welcome you whenever you can join us.

Lay Servant Ministries (Continued from page 4).....As the Methodist movement spread there were more society (home church) meetings than there were clergy members. John Wesley—founder of Methodism—used lay persons to preach, conduct worship, lead studies, and visit the sick and imprisoned. These early leaders were called exhorters, forerunners of today's lay servants. The three tenets of Lay Servant Ministries are Leading, Caring, and Communication. There are 3 levels of Lay Servants: Local Church Lay Servant, Certified Lay Servant, and Lay Speaker. Each level requires certain courses to be trained & certified, and each level serves in a different way to augment the clergy ministry. In our church, we have several members, including Dennis & LuAnn Burger, Ed Pollari, Rich & Bonnie Fabritius, Cindi Boehnlein, Jeff Gibbs & Jim Anderson who are or have been certified Lay Servants. If this is a ministry you would like to pursue, ask for more information from one of them or go to www.ecumc.com/laity/lay-servants.html

The next training event is in October.

Getting to Know You...(Continued from page 4) United Methodist Women's president and missions chairperson, as well as being on the renewal team and teaching several Bible studies. As we mentioned earlier, she currently leads the Sunday morning adult Bible study group, the "411." The group has just started a new study and welcomes all to join them at 8:45 in the Olds Room.

Bonnie says that she has been greatly influenced in her faith journey by the Renewal Team and by the late, prayer warrior, Carl Gibbs. She has observed God's Spirit moving in our church by the awakening and renewed use of spiritual gifts, such as teaching, mercy, hospitality, and giving. She would love to see God lead First United Methodist Church of Middlefield into renewal and revival to further His kingdom on earth.

This article is the third in our series Getting to Know You.
