collectively keep this ministry bathed in
prayer and to welcome anyone that
would like to join us.*

How the Pavilion Was Started

The concept of a pavilion came soon after clearing and cleaning up the property in 2012. Early on, as we were having a Dedication Ceremony, picnics, a hot dog roast, and planned other services, we were setting up multiple tents for each. These tents were subject to damage due to weather conditions. Similarly, parking was an issue when we held events in the Spring and Fall. We again were at the mercy of the weather as the grassy parking could get wet and soft, preventing parking at all.

For many events we had great weather; *however*, our biggest event was a Sunday Morning Worship Service when a storm took down part of a 50 x 80 ft. tent. Many men and women of our congregation, community, and other churches spent a lot of time erecting the tent once again in time for a small Monday Evening Service the next day.

The Land Use Committee decided a pavilion with parking would allow our congregation, other churches, and our community to use the property more often, more conveniently and more consistently.

All of the foundation concrete from the torn down buildings was used as a foundation for the parking area. Ike Clark has spent countless hours in stripping topsoil down to hard clay so we could have a firm foundation under the parking area with a similar site preparation at the pavilion.

Many men and women from our congregation provided labor, equipment, nourishment for workers, prayers, and financial support towards the land and the pavilion. The late Carl Gibbs was one of these exceptional congregation members (continued on page 5, *Pavilion...*)

Pastor's Note

Greetings Church Family,

Our hearts and prayers truly go out to those who recently have been devastated by Hurricane Harvey and those in the path of Hurricane Irma and other storms that could follow. Continue to pray for those facing these difficult natural disasters or as they begin recovery from storms that have passed still leaving them in devastation.

Even as the water subsides we know our prayers and help are needed. We can help immediately by praying and by donating money to United Methodist Committee On Relief. UMCOR uses many volunteers and the local churches in the areas of devastation as a grass roots way of meeting needs in a very efficient way. UMCOR also stays and helps in the rebuild efforts not just while the affected areas are considered a disaster area.

I myself went to D'Iberville Mississippi in the Boluxi area five times with church work teams to help families rebuild after Hurricane Katrina. Folks from Middlefield helped in D'Iberville Mississippi three times. I also went to Forked River New Jersey twice with work teams to help rebuild after Hurricane Sandy. Each time we stayed in an UMCOR operated Disaster Response center that helped coordinate disaster recovery along with the long-term rebuilding. The disaster may take hours or days to bring destruction upon the homes of families affected in a community while the recovery and rebuild could take many years.

I am hoping to build a work team with a group of volunteers from Middlefield area that would travel to Texas to help the rebuilding efforts around mid-January, 2018. Let me know if you have an interest in being part of the team. If other teams need to develop the help will be needed long term.

Let us care for those in need, may we continue to offer support in every way that the Love of Christ would be seen in His people.

With hope and prayers,

Pastor Eru

P.S. We can forward any support given to UMCOR Advance #901670

Getting to Know You...

Randy & Cheryl Clark

Introducing Randy and Cheryl Clark of Middlefield, (no relation to Ike and Carole) who have been attending and serving here at Middlefield First UMC for just a few years. They were first introduced to MFUMC by neighbors, Todd & Lawni Ross, who invited them to attend their daughters' music programs under the direction of Katrina King. They have since found a home here among the other good folk of our congregation.

Randy grew up in the Willowick area and works as a Production Manager at Aclara, located in Solon. His parents spend their retirement time traveling the world. Cheryl was raised in Mantua and has two siblings, brother Mario and sister Chrissy, as well as a niece, Francesca. Cheryl was formerly employed as a Regional Director for an apparel company. Now in her spare time she serves such causes as Friends of Womensafe — raising funds to support domestic violence survivors. Randy & Cheryl have a 12-week-old Yorkie puppy named Bella. Next year, on May 28th, they will celebrate their 25th wedding anniversary!

The couple's lives have been filled with adventure, from floating down the Snake River in Jackson Hole, Wyoming, to flying in a hot air balloon over the Grand Tetons. They look forward to more of life's adventures, including retiring and moving south to warmer weather.

Their service to MFUMC has included helping with "God Shares a Meal", painting children's classrooms, painting rooms at the parsonage, weekly Food Pantry deliveries, delivering (continued on pg. 5, Getting to know...)

UMW Updates and Coming Events

The next **UMW meeting** will be this **Wednesday, September 13th at 6:30 pm** in the Social Hall. All women are welcome and we would appreciate any ideas you may have to share. Come and join our meetings. If you are a woman and attend a Methodist church, you *are* already a *United Methodist Woman!*

Our church's **Potluck Lunch** is starting up again next **Sunday, September 17th** after the Worship Celebration. The main course to be provided will be Rigatoni, we are asking for salads, garlic breads and desserts. We also would like some help from volunteers for clean-up.

A new sign-up sheet will be in the Social Hall for after-service coffee hour volunteers. This includes setting up for and cleaning up after the social hour.

We will be participating in **Soles4Souls** (collecting slightly used shoes for third world countries) again. Last year our church donated a good portion of the 800 pairs of shoes collected by Nancy Cline's grandson as a project with his Trail Life Troop.

The **UMW Christmas Program** and Brunch is scheduled for **Saturday, December 16th, 2017**. Invited for our entertainment is the **Devine Inspirations** since we enjoyed them so much in the spring. More details to follow.

E-GIVING TWO WAYS: Online Giving: You set up and manage your own secure account through a link on our website, www.middlefieldumc.com, or consider working with your personal bank to set up an automatic payment to the church for your regular giving.

Your electronic contributions are recorded on your own personal giving statement that is prepared as requested and provided for each year-end.

*Come Join the Fun:
Benefit Dinner,
Silent Auction
and Live Auction!*

The First United Methodist Church of Middlefield has purchased and cleared 15 acres of land north of Mary Yoder's Restaurant on Route 608 for the purpose of expanding its mission and ministries to the Middlefield community. The Food Pantry and Thrift Shop are in need of more space with classrooms, public meeting spaces, a banquet facility with commercial kitchen, a prayer/exercise walking path, athletic fields, additional community parking across from the high school, and more. We are almost done working on Phase 2 of our plan to build a pavilion, which will be made available for church and community activities.

The church will host the **Second Annual Benefit Dinner, Silent Auction and Live Auction** on **Saturday, November 4th, 2017, at the Huntsburg Community Center**, to accelerate the completion of the land pay-off. Doors will open at 5:30 pm for the silent auction and appetizers. Dinner will be served at 6:15 pm with bidding for the silent auction ending at 7:15 pm when the live auction begins.

Benefit Dinner tickets are \$35 each. Seating is limited. Your donation qualifies for a tax deduction, and receipts will be given for tax purposes. If you can donate silent auction items or you would like to purchase tickets, please phone or e-mail Pastor Erv @ (330) 354-5500 or 440-632-0463, or email office@middlefieldumc.com.

Family Movie Night...

An amazing list of actors and a well-written script based on a true story set in New York City (on the Hudson to be exact!)
1:01 hr. Rated PG 2016

As always, popcorn and beverages are provided at no charge. Come and join us as we watch a much loved movie with family and friends. Good times!

Help those that receive produce at our church learn and experience other healthier ways of eating and feeding their families. By sharing and preparing samples of your favorite recipes using foods available in the Food Pantry here in the church or at home, you can then share it by giving out samples and recipes.

This is a pilot program, with hopes of having a rewarding time in sharing what you have learned with others.

~Unusable to Usable~

There is a need for two large barrels of unusable clothing to be cut into rags to be sold to local businesses to benefit the Thrift Shop and 3 ways of doing it.

One way is to make an appointment to come into the Thrift Shop and visit while you help cut the unusable clothing. The second way is to stop into the Thrift Shop anytime it's open and take a bag of unusable clothing home to be cut there and brought back. The third way is to have a bag of unusable clothing delivered to you to be cut up and picked up again.

For delivery, contact Shirley Siracki at (440) 632-1904

For directions on how to cut the unusable clothing into rags, contact Jackie Williams at (440) 632-5753.

The Prayer Room beside the elevator is available whenever the church is open. Please stop in and let us lift each other up to the Lord.

The Thrift Shop

As much as people love shopping at the Thrift Shop, there are times when the shop needs people to also serve by helping. We need a scheduler, someone to schedule the volunteers to work on Fridays and Saturdays between the hours of 9am to noon. If you would like to fill this position, or serve on a regular basis, or serve by being a substitute during open hours, call Shirley Siracki at (440) 632-1904.

Getting to Know...

(Continued from page 2) Christmas presents and baking for various events. You may have noticed them greeting and passing out bulletins at our Worship Celebration a couple of weeks ago.

When asked how they had seen God working around them, Cheryl shared that she recently witnessed a miracle through the power of prayer. The teenage daughter of a family friend was in a near-fatal car accident. The girl lingered for weeks in a coma. Her doctors recommended that the mother withdraw life support. The mother called everyone she knew from California to New York requesting them to pray that night before they would pull life support. The next morning her daughter miraculously woke from her coma! That was a very profound event in all their lives.

The Clarks agree that our nation needs God more than ever before. They believe that our church can be the catalyst for kindness by our own actions which demonstrate kindness to those within our church as well as outside of it. Change begins with us!

Recycle

Keep saving batteries, make our planet a healthier place. When saved and brought to church, place them in the basket on the shelf by the windows to be recycled.

Keep saving pop tabs. When saved and brought to church, place them in the can on the shelf by the windows in the Social Hall. They are then given to Ronald McDonald House who recycles them to benefit families with a child in the Rainbow Baby and Children's Hospital. This will give them place to stay while their children are receiving treatment.
